### LAKE AVENUE DENTAL

88 Lake Avenue • Tuckahoe, NY

914.337.8272 • [www.lakeavedental.com](http://www.lakeavedental.com)

Lake Avenue Dental in Tuckahoe, a family dental practice led by Rosanna Leo, DDS, FAGD, and Marianne O'Shea, DMD, is known for its efficient, high-quality, comprehensive dental care. But, it's more than skilled dentistry that attracts patients to the practice. Its relaxed, friendly setting makes patients of all ages feel comfortable, secure, and confident about their care. Patients enjoy a genuine connection to the dentists and staff who take time to get to know them personally as extended family members.

Beyond the practice's fun-loving atmosphere that puts patients at ease, Lake Avenue Dental is newly renovated and conveniently located across from Metro-North's Tuckahoe station. In addition to general dentistry, Dr. Leo and Dr. O'Shea are also recognized experts in cosmetic dentistry, including whitening, cosmetic bonding, porcelain veneers, crowns, bridges, and ClearCorrect invisible braces. Patients turn to them for cosmetic procedures that deliver remarkably natural results. Additionally, they work in conjunction with the best surgeons to perform full mouth implant reconstruction, such as the All-on-4 technique in which teeth are extracted and implants are placed on the same day, allowing patients to leave with a full arch of teeth.

Dr. Leo received her BS in Biology from Fordham University before earning her DDS from Stony Brook University School of Dental Medicine and a residency at Stony Brook University Hospital. A Fellow in the Academy of General Dentistry, Dr. Leo is a member of the New York State Dental Association, the American Academy of Cosmetic Dentistry, and the Empire State Academy of Cosmetic Dentistry.

After graduating summa cum laude from Northeastern University, Dr. O'Shea pursued dental training at the University of Medicine and Dentistry of New Jersey and completed a General Practice Residency at Westchester Medical Center. In addition to her membership in the Academy of General Dentistry and the New York State Dental Association, Dr. O'Shea is an active board member of the KinderSmile Foundation.

Lake Avenue Dental invites you to join their family and experience its comfort and expertise.
